MEMORANDUM FOR: Acting Chief, Projects Control Staff, O/RR

FROM : Chief, Intelligence Production Staff/SI

SUBJECT : Joint O/RR-O/SI Study on the Antibiotics
Industry of the Soviet Bloc, O/RR
Project #22.288

REFERENCE : Your memorandum dated 21 June 1954 to this
Staff, subject as above

1. Returned herewith for your final editing and publication are two draft copies of the paper entitled, "The Antibiotics Industry in the Soviet Bloc With Special Emphasis in the USSR." Both copies were forwarded to this Staff under the above-referenced memorandum.

2. On 19 March 1954 it was agreed between the O/RR and O/SI representatives who conducted this project that two joint O/RR-O/SI papers would be forthcoming. One of these papers is now in the final stages of editing by O/SI and when published by O/SI will bear the statement

"This report was prepared jointly by
the Office of Scientific Intelligence
and the Office of Research and Reports."

The other paper which is to be published by O/RR is attached to this memorandum. It is suggested that this paper carry a similar statement in lieu of the statement at present carried in the FOREWORD.

3. It is requested that the report, when published, be distributed as follows:

- 1 copy - G-2, Col. John Regan
- 1 copy - G-2, Office of the Surgeon General
- 1 copy - [REDACTED]
